## GROW

### SUMMER PRAYER COVENANT

MCC believes God is calling us to step up our **prayer and intimacy** with God through **covenant prayer** as mentioned in 2 Chronicles 15:12.

*Jesus, be Lord of my life today in new ways, and change me any way you want.*

Line six is a request for a **changed life**.

- Like John 13:13, this line acknowledges **Jesus as Lord**, Master-Owner, Boss and Source of all our lives.
- God created us and desires us to surrender to Him in every aspect of our lives. When we do, He "conquers" the next places of rebellion, immaturity and waywardness and continues toward the full **renovation of our hearts**.
- However, it is possible to miss this. In the book of Joshua, God gave Israel the promised land, but because of unbelief and rebellion, Israel could not overcome some of their enemies. Eventually they married people of pagan cultures and began worshiping their gods. They had a **Savior**, but they failed to make Him their Lord.
- Jesus wants our whole hearts and our entire lives **under His rule**, for our salvation and His glory.

## MISSION

### BARNARD MOKHACHANE Southern Africa HIV-AIDS Collaboration (SAHAC) – South Africa

Seeding a youth movement in which youth embrace abstinence and faithfulness and encourage their friends to do the same.

#### Prayer Requests:

- The leadership team and staff will have spiritual, intellectual, emotional and physical health and strength in light of the mounting political, social and economic challenges in their countries.
- A growing core group of leadership youth will begin to own the Courage Movement as their own path to a bright future and bring their families, peers and communities along with them.
- To have the faith and wisdom to empower the youth of South Africa to stand against the beliefs and behaviors that allow HIV and poverty to steal their lives and their joy.
- God would continue to provide the financial resources to accomplish all that He leads us to do for the coming of the kingdom in the lives of the youth of South Africa.
