MISSION

Silas Khadka Child Hope Int'l.— Nepal

Placing orphaned and abandoned children in Christian homes and raising as disciples of Christ with intentionally trained parents.

Prayer Requests:

- Financial support. We never know how we will get through the year in the black. Praise God, He has provided a way every year to surprise us with adequate financial support for the care of the children. Pray for the same in 2018.
- Hostel discipleship effectiveness. Pray for the discipleship program in the hostel to help the young people stand on their feet and be effective witnesses in the community.
- Our goal is to see Nepal become a strong Christian nation. Pray that the Lord will send His choice of orphans/abandoned children to Child Hope who will develop the passion and skills needed to see this goal accomplished in the coming years.
