MISSION

BARNARD & CHRIS MOKHACHANE Southern Africa HIV-AIDS Collaboration (SAHAC) - South Africa

Seeding a youth movement where youth embrace abstinence and faithfulness and encourage their friends to do the same.

Prayer Requests:

- For the leadership team and school teams to have strength in the face of the mounting political, social and economic challenges in South Africa.
- For clear discernment, faith, and wisdom to engage the youth to take specific actions to protect their health.
- That school teams continue last year's growth in passion to bring Courage Youth to deeper personal relationship with Jesus
- That God continues to provide the financial resources to accomplish all that he leads us to do for the coming of the kingdom in the lives of South African youth.
